WATCH MANUAL

# JJ MONAGHAN x SCOTTISH FA

Thank you for purchasing your JJ Monaghan x Scotland NT WC26 watch.

As a fellow die-hard Scotland supporter, I wanted to create a watch special enough to commemorate the 28 year wait since we last made the World Cup. This isn't a watch we've just stuck the badge on, this is a culmination of 5 months of hard work and sleepless nights (getting the dial texture right took 1 month of that!).

The finished watch is everything I wanted it to be not just for us, but for you guys. Enjoy the watch and I look forward to spotting them in Boston!

# STEVEN ROMEO

HEAD OF RETAIL AND LICENSING

This is our 3rd year with JJ Monaghan. Over the past 3 years, Jason has delivered watches the Scotland fans have loved and I expect this year to be no different.

From the moment we qualified, Jason was quick to secure the license and had a clear vision of how he wanted the watch to look. Seeing the concept design to finished watch has been a fantastic experience.

Having JJ Monaghan Watches as part of our licensing portfolio fills us with immense pride.

# SETTING THE TIME

# SETTING THE TIME

POS. 1 Position of rest (watch running)

POS. 2 Quick-change correction for date

*The date can also be corrected during the day-changing phase between 10 pm and midnight. The date of the following day has to be set, because no automatic date change takes place at midnight.*

1. Pull the crown out to position II (watch still running).
2. Turn the crown clockwise until the required date appears.
3. Push the crown back into position I.

# SETTING THE TIME

## POS. 3 Setting the time

1. Pull the crown out to position III (watch stopped).
2. Turn the crown, until the current time is displayed (remember the 24-hour cycle).
3. Push the crown back into position I.
